Suman Nandi

Thank You Suman and Vivek for your efforts and contribution towards the Command Center implementation with coverage and stabilization of scripts and thereby achieving close to 70% pass percentage of the ATP tests. With this we were able to bring the validation timeline to one week cadence and also now we have started reducing the number of resources used for the BHS AP and BHS SP programs. Keep it up !

This award honors the impact you have demonstrated through:

Results Driven

- We prioritize, focus and execute flawlessly with urgency.
- We make data-driven decisions with intellectual honesty and constructive debate; we disagree and commit.
- We assume responsibility to deliver long-term stakeholder value.

Sincerely,
